## Day 2: Monday- St. Jean Pied de Port

There is a delicious breakfast in the morning. After breakfast you can visit St. Jean Pied de Port, the famous town on the pilgrimage route to Santiago de Compostella.

In the morning there is a market with local products. Walk through the old streets and enjoy the many terraces. In the afternoon you can take a walk among the vines or visit the "Cave d'Irouléguy". Evening dinner at a typical local Basque restaurant.

## Day 3: Tuesday- Pamplona

Pamplona, known for the "Sanfermines". Explore the old city center, the city walls and the popular Plaza del Castillo square. Certainly not to be missed are the many bars where the pintxos are served, snacks on sticks, these are true culinary art pieces and a real delicacy. At 8 pm dinner at Maison Aguerria or at a local restaurant.

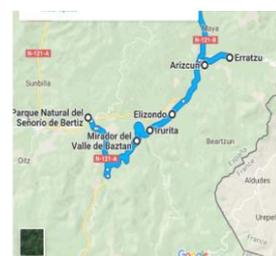

## Day 4: Wednesday- Espelette

Espelette, world famous for its piment d'Espelette. Red peppers that are dried in the sun for two to three weeks and then ground into powder. Visit the nice market with all local produce in the morning. In the afternoon you can discover the long sandy beaches and fashionable resorts of the Basque Country. Biarritz, St. Jean de Luz and San Sebastian are the most famous and offer the true holiday feeling.

For dinner, a table is reserved for you at a gastronomic restaurant.

## Day 5: Thursday- Valley of Aldudes

After breakfast you can enjoy the enchanting Basque landscape and the griffon vultures during the beautiful walk "Lepeder". At the end of the walk there is a well deserved tasting dish (lunch) at Pierre Oteiza that allows you to taste the famous products of the Basque pig (**Jambon Kintoa A.O.C.**). Visit the fish farm of "Truite de Banka" in the afternoon and end your valley tour at Txokolategia "Laia" in Baigorri for a delicious chocolate or artisan ice cream. In the evening, dinner is served at Maison Aguerria.

## Day 6: Friday- Valley of Baztan

Discovery of the Baztan valley. It consists of 15 villages with numerous stately palaces and beautiful houses that were built between the 17th and 19th century.
